

P. L. C Application Equipment

WSS-4S Manufacture Process Trainer

- Main Voltage : DC 24V
 - Digital Input & Output Connection Points
- Input : 17 & Output : 10
 - Sensor Type : NPN Type
 - Air is necessary for operation
 - Providing operation manual
- ※ P. L. C Controller is not included

WSS-1S Pneumatic-Robot Trainer

- Main Voltage : DC 24V
 - Digital Input & Output Connection Points
- Input : 13 & Output : 5
 - Sensor Type : NPN Type
 - Air is necessary for operation
 - Providing operation manual
- ※ P. L. C Controller is not included
