

P. L. C Application Equipment

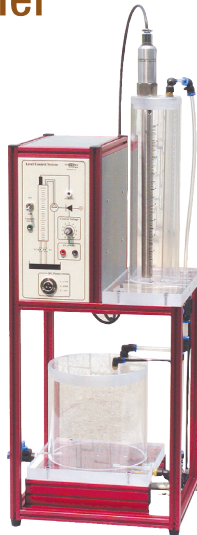

WSR-7 Temperature Control Trainer

- Main Voltage : DC 24V
- Analog Input & Output Connection Points
- Input : 1 & Output : 2
- Sensor Type : NPN Type
- Providing operation manual

※ P. L. C Controller is not included

WSR-8 Level Control Trainer

- Main Voltage : DC 24V
- Analog Input & Output Connection Points
- Input : 1 & Output : 2
- Sensor Type : NPN Type
- Providing operation manual

※ P. L. C Controller is not included
